Dear Tom,

It is my pleasure to inform you that Associated Industries of Florida Political Action Committee (AIFPAC) has voted to endorse your campaign for the primary of the 2010 election cycle. Enclosed is a contribution to your campaign.

Over the summer, Associated Industries of Florida Political Council and its members interviewed numerous candidates in the most hotly contested House and Senate state races. Those interviews, the issue questionnaires submitted by candidates, and a detailed analysis of the district were crucial elements in AIFPAC's deliberations. We were impressed by your appreciation of the free enterprise system and support for policies that will promote a prosperous economy for all Floridians.

Thank you for taking on the hard work of running for public office. We wish you the best of luck in your campaign and we look forward to seeing you in Tallahassee.

Kindest regards.

Sincerely,

Barney T. Bishop III
